Why do many readers like using mobile devices to read books?

- (1) The ergonomic design of mobile devices helps relieve eye strain.
- (2) Mobile devices provide various functions which make reading convenient.
- (3) It is convenient for carrying a lot of books.

- A (1) and (2) only
- B (1) and (3) only
- C (2) and (3) only
- D (1), (2) and (3)

Solution

Candidates had very good practical knowledge of using tablet computers and mobile devices.
